### ADVENTURE AWAITS: THE CHOPTA TUNGNATH TREKKING TOUR

Under its Military Heritage Tourism vertical, PCTI organized an Adventure Trip in the first week of April 2024. The participants embarked on an exhilarating journey through the Garhwal Himalayas, participating in the Chopta Tungnath Trekking Tour. The adventure commenced on the evening of April 2nd, with a pre-trek briefing followed by dinner. This was not just a trip but an immersion into the rugged beauty and spiritual essence of the Himalayas.

The tour challenged participants with two treks at an altitude of about 9,000 feet, featuring moderate to difficult terrains that led to Tungnath and Chandrashila. Despite the physical demands, the treks were rewarding, with awe-inspiring views and a sense of achievement marked by certificates of completion for the successful trekkers.

Participants followed strict safety and comfort guidelines: limited luggage, essential health checks, suitable cold-weather attire, and adherence to environmental norms to protect the delicate ecosystems. The culturally respectful tour in Dev Bhoomi prohibited non-vegetarian food and alcohol.

Accommodations ranged from communal in Chopta to more comfortable in Saari and Kodyala, blending rustic and relaxed experiences. Special thanks to exemplary leaders like Gaurav Chauhan and Lalita Giri. The journey emphasized bonding, respect for the Himalayas, and enriching experiences, creating lasting memories.

## TISS ANNOUNCES RESULTS— REMARKABLE SUCCESS FOR PCTI BATCHES

Tata Institute of Social Sciences (TISS) announced the results of the exams conducted for its various programs. Demonstrating academic excellence, all the students of three PCTI batches have successfully cleared their examinations with an impressive score of above 70% marks. This achievement underscores PCTI's commitment to providing high-quality education and its students' dedication to their studies. Congratulations to all successful scholars!

## PCTI PARTNERS WITH CSC ACADEMIA TO ENHANCE SKILL AND UNIVERSITY PROGRAMS

PCTI has officially entered into a collaboration with CSC Academia to advance skill development and university-level programs. This partnership aims to enrich the educational landscape by providing more comprehensive learning opportunities tailored to meet the evolving needs of students. Through this initiative, both institutions seek to empower learners by enhancing access to quality education and fostering skill sets that are crucial in today's competitive job market.
